3.2 We will charge and you will pay interest on the Loan until the Loan is repaid in full. The interest will be payable after as well as before any demand or judgment against you or your bankruptcy or insolvency and even if we obtain a court order against you for payment of some or all of the Loan.

3.3 Interest on the Loan will be calculated at the Borrowing Rate specified in the "Important Information" section on the front of this Loan Credit Agreement.

3.4 Interest which accrues in any Interest Period will be added to the Loan and shall be due and payable on the next Payment Day, or, if earlier, when the Loan is repaid in full.

3.5 The interest rate is an annual rate. Interest will be calculated on the daily balance outstanding on the basis of a 365 day year, or 366 days in the case of a leap year. Interest will be settled as part of your monthly instalment. If you do not pay your instalments on time any unpaid amounts, including interest due, will be added to your outstanding debt and you will therefore pay additional interest.

3.6 We may change the method of calculating and applying the interest (including whether it is charged in arrears or advance) to reflect changes in our procedures or systems, where it is reasonable to do so. However, any change in the way in which interest is calculated will not increase the total amount you will have to pay under this Loan Credit Agreement. We will give you not less than 30 days' notice in advance of any change in the method we apply and calculate interest.

3.7 A certificate signed by one of our officers stating the rate of interest applicable to this Loan Credit Agreement at any time shall be prima facie evidence against you of the rate of interest applicable to this Loan Credit Agreement at that time.

3.8 The APR set out in this Loan Credit Agreement is calculated on the basis of the following assumptions:-

- (i) that all payments in connection with Loan will be made when due and no fees or charges as set in Paragraph 8 will be chargeable in connection with the Loan; and
- (ii) that the Loan will not be repaid early.

4. Payments

4.1 You must pay your Monthly Instalment on each Payment Day. You must also pay any fees and charges or other amounts when they fall due under this Loan Credit Agreement.

4.2 Unless we agree otherwise, you may change the date on which you pay Monthly Instalments, on one occasion only during the term of this Loan Credit Agreement.

4.3 If any payment falls due on a non-Business Day, it will be collected either on the previous business day or the next Business Day after it falls due which day shall be treated as the Payment Day for such Month. If a repayment is due on the 29th, 30th or 31st of a Month and there is no such date in a given Month the repayment will be due on the last day of the Month, which shall be treated as the Payment Day for such Month.

4.4 Monthly Instalments must be paid by direct debit.

4.5 Any payment by you to us will take effect on the date on which it is credited to the Account, provided that the payment clears. If you fail to pay any amount owing under this Loan Credit Agreement you will, if required by us to do so (and without affecting our other rights but subject to any procedure required by law), pay that amount and/or any other amount that may become due by direct debit and you will ensure that the direct debit is met on first presentation.

4.6 You must make all payments to us in euro.

4.7 Where we process payments automatically, we may accept partial payments marked as 'payment in full and final settlement', or other similar language, without losing our right to claim full payment.

4.8 For the purposes of this Loan Credit Agreement, both time and method of payment are of the essence.

4.9 We may from time to time vary the amount of a Monthly Instalment to ensure that all principal, interest, fees and charges and any other amount payable to us under this Loan Credit Agreement will be paid by the end of the term of the Loan. Any outstanding balance will be payable in the final Monthly Instalment.

4.10 Unless we agree otherwise, we will use any payment we receive from you (including the Monthly Payment and any excess amount paid) in respect of this Loan Credit Agreement in the following way:

- (i) first, to pay off the balance of any arrears (whether such arrears comprise Loan principal, interest on principal, or any fees and charges payable to us in accordance with the Loan Credit Agreement), to be allocated as between such amounts at our discretion;
- (ii) second, to pay off any Monthly Instalment then due and payable (but not in arrears);
- (iii) finally, to pay off any Loan principal balance not yet due and payable to reduce the Loan, and therefore the total amount repayable under this Loan Credit Agreement.

5. Missed payments and other breaches of Loan Credit Agreement

5.1 You must pay us immediately the amount of any missed payments under this Loan Credit Agreement.

5.2 In the event that you are in breach, or are likely to breach this Loan Credit Agreement, we may, at our sole discretion agree to an alternative repayment arrangement, including without limitation: (a) a rescheduling of accrued arrears over the remaining term of the Loan or (b) an extension of the term of the Loan.

5.3 Information about missed payments or alternative repayment arrangements may be registered with Credit reference agencies including the Central Credit Register, and/or any similar agency or any credit register.

5.4 For the avoidance of doubt, all outstanding amounts due will continue to be immediately payable after the original term of this Loan Credit Agreement expires until your balance is paid in full on foot of this Loan Credit Agreement.

5.5 We may, at our discretion, charge interest at the Borrowing Rate specified in the "Important Information" section on the front of this Loan Credit Agreement on any missed payments under this Loan Credit Agreement (whether of principal, interest, fees and charges or other amounts due under this Loan Credit Agreement) and may vary the Monthly Instalment accordingly.

Warning: If you do not meet the repayments on your Loan, your Account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.

6. Termination of Loan Credit Agreement

6.1 We may terminate this Loan Credit Agreement and demand immediate repayment of the whole balance (including all interest and charges and fees due) on the occurrence of the following "Termination Events":

- (i) if you fail to make a payment in full when it is due;
- (ii) if you breach a term of this Loan Credit Agreement and fail to resolve the issue;
- (iii) if any warranty, statement or representation made by you to us is untrue in any material respect;
- (iv) if any judgment or order is made against you;
- (v) if you commit an act of bankruptcy or a bankruptcy order is made against you, or you make a voluntary arrangement or composition with your creditors without our prior approval in writing; or
- (vi) if a distress or execution is levied upon or effected against any of your assets;
- (vii) if a receiver or other similar officer is appointed over any of your assets or other steps are taken to enforce any mortgage, charge, pledge or lien granted by you;
- (viii) if you stop payment of your debts;
- (ix) if you die or become of unsound mind;
- (x) if any event occurs which in our opinion is likely to have a material adverse effect on your ability to repay the Loan or is detrimental to our interests.

6.2 If we demand any payment under Paragraph 6.1 we shall provide you with a notice in writing (a "Termination Notice") of our intention to terminate this Loan Credit Agreement specifying therein the nature of the alleged breach. The notice will state that we will terminate this Loan Credit Agreement unless, within 21 days of the receipt of the Termination Notice, you:

- (i) (where the breach is capable of remedy), remedy the breach specified in the Termination Notice in a manner satisfactory to us in our absolute discretion; or
- (ii) (where the breach is not capable of remedy), pay to us such sum as we reasonably require as compensation for the breach specified in the Termination Notice.

6.3 If following receipt of a Termination Notice you fail, within 21 days of receipt of such notice, to, as the case may be, remedy the breach or pay the compensation specified in the Termination Notice, you must immediately repay the Loan together with accrued but unpaid interest thereon and all fees and charges and any other amount due.

6.4 If we demand any payment under Paragraph 6.1, we will let you or your legal representatives know why.

7. When you choose to repay early

7.1 You may at any time repay this Loan or a part of it early in accordance with the European Communities (Consumer Credit Agreements) Regulations 2010.

7.2 If you repay this Loan early, you will be entitled to a reduction in the total cost of the credit to the extent of the interest and the costs for the remaining duration of the Loan Credit Agreement.

7.3 We will not charge you, or seek to recover, any amount as compensation for costs or possible costs linked to early repayment of the Loan.

7.4 An early repayment which leads to a reduction in the total cost of credit may lead to a reduced term, a reduced instalment or a combination of both.

8. Fees and charges

8.1 If you breach this Loan Credit Agreement, we may charge the default fees and charges detailed below. The default fees and charges for breach of this Loan Credit Agreement (which are not included in the calculation of the APR) are as follows:

(a) if an instalment is not paid (i.e. if any instalment due to be paid is not paid in full or does not reach our Account by the due date, or each time a direct debit payment is returned after the due date), a non-payment fee of €10.00 per unpaid instalment will be charged to your Account; and

(b) the full amount of any other losses and reasonable costs which we incur as a result of any breach of this Loan Credit Agreement, including costs of tracing you, notifying you of any breach, communicating with you about any breach, and enforcing payment of any amount due under this Loan Credit Agreement, will be charged to your Account.
